7350075 021022

Product images available in ALL colors in our Retailer System ([www.lelo.com/retailer](http://www.lelo.com/retailer)).

## HOW TO USE

1. Turn on and Insert
2. Squeeze when it vibrates and rest when it stops
3. Continue the routine until it finishes
4. Longer, Stronger Orgasms!

## TRAINING

- Pressing the O button will turn device On and the flashing LED light next to button indicates the level of training (One flash = Level 1 etc).
- Once inserted, 3 quick vibrations signal the start of your routine, then simply squeeze when it vibrates and rest when it stops, while each training routine lasts around 5 minutes.
- The LUNA Smart Bead™ will both adjust and remember the program for your pleasure-training.
- 3 quick vibrations will signal you have completed the routine, and it will turn off automatically.

## REWARDS

- The LUNA Smart Bead™ guides you with vibrating pulses throughout the training, tailored according to your needs. It has never been easier to train for longer, stronger pleasure.
- At the end of a routine, you can activate the continuous vibration mode for immediate sensations by pressing for 3 seconds the button -. Now, that's a post-workout cool-down!
