## HOW TO USE

- First, apply plenty of LELO's Personal Moisturizer to your TIANI™ 24k and your body for more comfortable insertion and more pleasurable sensations.
- To connect TIANI™ 24k with the wireless remote, press the button on TIANI™ 24k and the + button on the remote. It may take several seconds to connect.
- Press the button to cycle through vibration modes. TIANI™ 24k has 6 stimulation settings and 2 additional SenseMotion™ settings that take full advantage of the external and internal vibrations.
- Press + to increase vibration strength and - to decrease.
- If desired, the remote's vibrations can be turned off. To do so, press and hold the button for 5 seconds. To reactivate vibrations in the remote, hold again for 5 seconds.
- If you wish to use TIANI™ 24k without the remote, press its button twice to turn it on, and then continue pressing to cycle through modes.
- To turn off TIANI™ 24k, hold the button until the light turns off. To turn off the remote, press the - button until the light turns off.
- To lock the remote, simply hold + and - buttons on the control pad simultaneously until the light turn off. To re-activate and turn on, hold + and - together until the lights turn on.
- Make sure to clean both your TIANI™ 24k and its remote after use with warm soapy water. Ensure it has dried thoroughly before storing it.
